2023
July 5-9

MTBO 5 days

Dear O-bikers,

On behalf of KOS Slavia Plzeň I would like to invite all O-bikers to the tenth MTBO5days to Doksy in the Czech Republic in the first week of July 2023.

This is an exceptional event organized every second year since 2005. This year it will be held in the beautiful surroundings around Doksy. It is an ideal opportunity for athletes who are preparing for the MTBO World Championships in Jičín, so this event is also the official training camp for the 2023 MTBO World Championships in Jičín.

We can assure you that MTBO5days amazing reputation among O-bikers has been gained not only thanks to superb biking terrains and technical races but also thanks to rich evening/night programs and friendly atmosphere.

I look forward to seeing you

Stanislav Rauch
